Proposal for Financial Support:
Empowering A/L Arts Students

Dear

We are proud to introduce NEXA Academy, a non-profit educational initiative founded by a group of passionate graduates (2018 A/L batch of Arafa Muslim M.V).

As the students who have navigated the challenges of A/L exams, we understand the importance of quality education and support. Our experiences at Arafa and universities inspired us to give back to the community and create a platform that provides students with the resources and guidance they need to succeed.

Our mission is to empower A/L students, particularly those in the Arts stream, by providing comprehensive support to help them develop their academic knowledge, enhance their skills, and nurture their spiritual growth.

Our Vision:

Through education, we foster spiritual awareness and essential life skills to create a generation dedicated to serving humanity with excellence and integrity.

Our Mission:

To cultivate virtuous and successful individuals who thrive through knowledge, are grounded in spirituality, and are empowered to leverage their skills to contribute meaningfully to society.

Objectives:

- Provide academic support and resources to A/L Arts students.
- Enhance students' skills and knowledge in their chosen fields.

Initial project: A 2-Year Project (Supporting 2027 A/L Students)

2. **Two-Year Project:** Support our two-year project, which aims to provide educational support to A/L students.

We require **315 400/=** + to cover the costs of:
